Expert advice from the community

We are community!

88% of consumers trust peer recommendations above all other forms of marketing messaging.

Domenico is no ordinary bike customer. He cycles every day, using his favourite bike brands every day. He loves and knows everything related to cycling.

Brands like Canyon, ROSE Bikes and Lucky Bike bring their customer communities' passion to their online stores by connecting advice-seeking shoppers directly to passionate product users like Domenico.

Through **community touchpoints** on their online shops, these brands create lively, compelling customer experiences.

Feedback from satisfied bike customers!

"Canyon not only has the greatest bikes, but also the greatest community. 🙌 Simply world class! 🥰 I'm looking forward to joining the community soon. 🛒🚴🏍️🏍️🚴"

"I'm totally thrilled. Previously, I wasted my time forever with AI-assisted searches and in the end Mathias helped me a lot. I can now finally buy my first bike with peace of mind - the Grail CF SLX. :) Thank you. Always have a good trip!"
